

Hello everyone!

I hope this newsletter finds you all well, safe and starting to enjoy some summer weather.

Bucks County is to be expected to move into the Green Phase Friday, June 26th. We are planning to reopen on Friday, June 26 as well. If you have an appointment before then, please call to reschedule.

Preparations, Safety and Sanitation

In preparing for our guests to arrive, the salon has been fully cleaned and sanitized. PPE will be worn inside the salon at all times. Both staff and guests will be expected to wear masks. Stylists will be wearing gloves for many of our services. Guests are always caped or draped appropriately. Stations and chairs will be disinfected between each client. All hard surfaces in the salon will be disinfected regularly.

Temperatures will be taken with an infrared thermometer before entry. Waivers must be signed before service will begin. Hand sanitizer will be on every station for your convenience. Alternative seating will be used to keep social distancing.

What you need to know

Due to the restrictions placed upon our business, we are only permitted one client per Stylist. With that being said, it is going to take some time to get everyone on the schedule. We will have very little flexibility. We ask for your kindness and support as we figure things out. Please expect a few price increases as our overhead has not changed but our business model has been forced to.

During the last few weeks I have been working diligently with our junior staff so they are prepared to help navigate this trying time. They will be assisting as much as possible to help us accommodate all of you. They are great young adults and I have no doubt you will enjoy their work.

In closing, I ask that you print this newsletter, Sign the bottom, as if to verify that you have read and feel safe entering the building and that you are not sick or have been in contact with anyone that has been. Also, you haven't traveled or been in large groups of people within the last 14 days. Our goal is to keep you and our team safe!

Many Thanks!
